RENEWED PETITION UNDER 37 C.F.R. § 1.137(b)

Mail Stop Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

On 27 February 2009 the Office mailed a decision Dismissing Applicant's Petition under 37 CFR § 1.137(b) to revive the captioned application as being unintentionally abandoned for failure to timely pay the issue fee. The Petition was dismissed because the undersigned filed a continuation in lieu of paying the issue fee, which the Decision notes was insufficient under 35 USC § 41(a)(7) and 151. This Renewed Petition requests reconsideration of the Decision.

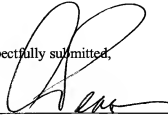

Included herewith are the following:

- (1) the issue and publication fees due as required by the Notice of Allowance mailed 20 May 2008; and
- (2) the supplemental Oath or Declaration as required by the Notice of Allowability mailed 20 May 2008.

Pursuant to 37 CFR § 1.137(b), the undersigned states that the entire delay in filing the required reply from by the due date for the Notice of Allowance to the filing of a grantable petition was unintentional.

The petition fee set forth in 37 CFR § 1.17(m) was paid previously. No fee is therefore believed to be due. However, the Commissioner is authorized to charge this petition fee, and any other fee that may be required in connection with this Renewed Petition to Dechert LLP Deposit Account No. 50-2778 (Order No. 375461-001T2C2 (355294)).

Respectfully submitted,
